

▣ Middlesbrough Amateur Boxing Club

BL Hairdressing Training has been sponsoring Middlesbrough Amateur Boxing Club for 4 years. BLHT have provided Middlesbrough Boxing Club with the opportunity to attend Championships and events enabling the boxing club to grow. In a recent conversation with Tony (boxing club owner) he feels *'BLHT have kept MBC going'* and *'given the lads an opportunity to do something with their time, as it is a deprived area and keeps kids off the streets'*. *'At first the lads laughed at the thought of a hairdressing organisation sponsoring their club, but now they are grateful that they are able to do what they love and BLHT give them the help they need'*. MBC still have the mini bus with the BL Logo on the side, *'without the mini bus we would not have been able to go the places we have been and been as successful'*. Tony feels that without BL's support MBC might not have been what they are today.
